

European Maintenance Symposium

5-7 APRIL, 2006

Press Release EMS 2006

C-130 EMS European C130 Maintenance Symposium 2006 Lisbon, 5th – 7th April

OGMA – Indústria Aeronáutica de Portugal, as a traditional C-130 Service Center, will be hosting, for the second consecutive year, the European C-130 Maintenance Symposium, to be held from the 5th to the 7th April, with the chairmanship of Lt.Col. Patrick Freydefont from the French Air Force.

This year's event will be dedicated to the "Long Term Sustainment and Management for the C-130 Hercules" subject, providing the European C-130 Community a base for experiences and solutions discussion .

Already confirmed its presence, the Air Forces from Portugal, France, England, Austria, Belgium, Spain, Greece, The Netherlands, Norway, and Sweden, as well other European C-130 Operators, Lockheed Martin, Rolls-Royce and some invited vendors.
